

# SBE45 MicroTSG

---

## (Thermosalinograph)

*Conductivity & Temperature Monitor  
with RS-232 Serial Interface*

### Instrument Configuration:

|                      |                      |
|----------------------|----------------------|
| Serial Number        | 4556968-0360         |
| Firmware Version     | V 1.1b               |
| Interface Type       | RS-232               |
| Conductivity Range   | 0-7 S/m              |
| Baud Rate            | 4800                 |
| Power Up Jumper      | Autopower Pins 1 & 2 |
| <b>Maximum Depth</b> | <b>0</b>             |

**CAUTION - This instrument is not intended for underwater use.**
